

## IMPORTANT DATES:

4/9- Lunch Bunch 3s

4/11- Chapel

4/20- Earth Day Event in  
Grove. 1pm to 2pm

Dear Families,

Our Transportation unit last month was a lot of fun! We learned about the difference between air, land, and water vehicles. In April, we will learn all about Spring. We will talk about the weather changes and what animals and plants we will see now that we are in a new season. We will also continue working on the alphabet and with shapes.

A few reminders:

- Please send your child to school with a water bottle
- Make sure they are dressed to play outside
- If you are running late for drop off and the doors are already closed, please drive around to the preschool door and knock on that door

Let us know if you have any questions and thank you for your continued support!

## Spring

Topics: weather, animals, and  
plant that we see in spring

Letters: V W X

Shape: Diamond
