

Our exploration of the arctic was a success! The students had a lot of fun acting and dancing like animals. They explored the various animals and habitats through books and play. We created adorable arctic themed artwork as well!

Our theme for February is Health and Wellness. We will learn about different ways to take care of ourselves, we will discuss parts of the body, and learn about sometimes and always foods.

At the end of the month we will have a "Teddy Bear Clinic" where we will have the chance to practice first aid skills on our stuffed friends. We will also have a visit from a local ambulance in which the students will have the opportunity to look inside the vehicle and learn about the equipment.

We will have a Crazy Clothes Day in honor of Dr. Seuss' Birthday at the end of the month.

IMPORTANT DATES:

- 2/5: Registration Open House
6:30 pm

Health and Wellness

Letters: P, Q, R

Shape: heart

Color: pink

Topics:

Dental Health, Safety,
Healthy Foods, Healthy
Movement

For our party each student is being asked to bring a medium sized bag for our valentines exchange. We ask that you make these at home and bring them in the day of the party.
