

## IMPORTANT DATES:

5/2- Lunch Bunch 3s

5/21- Last Day and  
Closing ceremony

Dear Families,

It's hard to believe we're starting our last month of school! It has been a pleasure to get to know you and your children this year. In April we talked about the transition into Spring and how this affects weather, animals, and ourselves. We also celebrated Earth Day and Easter.

In May, we will be revisiting some of our favorite themes from this year and finishing going through the alphabet.
