

JANUARY NEWSLETTER

HELLO FAMILIES,

I HOPE YOU HAD A WONDERFUL HOLIDAY BREAK! WE ACCOMPLISHED SO MUCH IN DECEMBER . WE TALKED ABOUT THE DIFFERENT STATES OF MATTER AND GOT TO INVESTIGATE THEM. WE INVESTIGATED ICE AND MADE PREDICTIONS ABOUT WHAT WOULD MAKE THE ICE MELT. I WAS PLEASANTLY SURPRISED AT HOW CURIOUS AND ENGAGED OUR CLASS WAS DURING THIS EXPERIMENT. WE ALSO DID SO MANY AMAZING ART PROJECTS WHERE EACH CHILD'S CREATIVITY REALLY SHINED THROUGH. THIS MONTH OUR THEME IS LAND ANIMALS.

WEEK 1: LETTER G, LAND ANIMALS

WEEK 2: LETTER O, WHAT LAND ANIMALS EAT

WEEK 3: LETTER P, HOW LAND ANIMALS GROW & CHANGE

WEEK 4: LETTER K, LAND ANIMALS LAB

COLOR: WHITE
SHAPE: RECTANGLES

THIS MONTH WILL BE ALL ABOUT GETTING BACK INTO THE SWING OF THINGS. WE MAY HAVE A FEW CRAZY DAYS BUT, I KNOW WE WILL GET BACK INTO OUR ROUTINE IN NO TIME! REMEMBER, PARENT TEACHER CONFERENCES ARE COMING UP THIS MONTH. IF YOU HAVE NOT SCHEDULED A CONFERENCE WITH ME YET PLEASE EMAIL ME OR MESSAGE ME ON BRIGHTWHEEL.
