

DECEMBER

In November we:

- Learned many different nursery rhymes
- Discussed how there are different versions of nursery rhymes
- Learned letters E, F, G, & H
- Learned about triangles
- Discussed gratitude and what we are thankful for

On the last day of school in December we will have comfy clothes day. Your student can wear something they're comfortable, it can be holiday themed, sweatpants, pajamas, whatever they want, but no onesies please!

I also wanted to remind everyone that this will be my last month as the 3's teacher. In January I will start student teaching to complete my Masters degree. Mrs. Millroy will be taking over as lead teacher and Mrs. Anderson will join her as the assistant. I have had a wonderful fall getting to know you and your students and will miss you this spring; but know you will have a great second half of the school year!

Dinosaur December

Letters: I, J, K

Shape: Rectangle

Color: Green

What we'll learn about dinosaurs: names, fossils, when they lived, what they ate.

Important Dates

12/7: Christmas in the Grove -6pm

12/20: Comfy Clothes Day

12/21- 1/2: Winter Break
