Hello Families,

Happy New Year!!! Welcome to 2021!! Hope everyone had a healthy and restful holiday season and you are ready to tackle a brand new year.

In December, Pre-K learned about different holidays around the world. Our class focused on Hanukkah, Kwanzaa and Christmas while creating Menorahs, Kinararas and, a "Rockin' Santa"; and assisted to create a Christmas present for their parents.

In January our students will discover Ocean Adventures. We will the discuss the number of oceans on our planet Earth and the difference between the "ocean" and the "sea". We will discover fun facts about the oceans and some of the creatures that call the ocean "home". Toward the end of the month we will look forward to our Pajama Day for both students and teachers!! We are looking forward to a "Swimmingly Good Time" in January!!
