
Dear Families,
Dinosaur December was a big hit! We had a lot of fun learning about the different types of dinosaurs and their habitats. We also enjoyed celebrating Christmas throughout the month. In January, we are excited to welcome Mrs. Millroy into our classroom! We will learn about arctic and antarctic animals. We will discuss how these animals stay warm and how they live in the snow. We will also continue with our alphabet, learning letters L, M, and N. As a class we will continue working on patience and will focus on sharing with our friends. We are also working on recognizing our first names and will begin tracing our names.
-Miss H & Mrs. Millroy
