3/4: Chapel Lunch Bunch

3/8: Career Day

3/11: Snow Make-Up Day

3/15: Gym Green Day – Wear Green

3/20: Library Lunch Bunch

3/25: Show & Tell

3/29: Bowl-A-Thon @ 9:30am

Parent's Corner

As we continue to work on handwriting in the classroom, you can encourage writing at home. If your child is still working on correct pencil grip, encourage them to draw and color at home. Ask them to make specific shapes in their drawings. If your child knows some letter sounds, encourage them to try to write words or write a story. It is ok if they spell phonetically. That is known as inventive spelling and is the first step to writing!

Hello Parents,

Our Fine Arts month has come to an end. The students had the opportunity to learn about different artists and different ways to represent art. Everyone enjoyed the numerous art projects we made this month. All works of art will be sent home in an art portfolio after we are finished displaying them in our school.

This month we will be focusing on the topic of growing while observing flowers, vegetables, fruits and trees and how they change overtime. The students will each have their own observation books to record what they see and we will be making individual grass people along with studying the growing sequence.

Please Send in a baby picture along with their height and weight at birth. The picture will not be returned because we will be using it in an art activity.

Also coming up this month, we will celebrate Dr. Seuss's Birthday on Friday, March 1 in honor of Read Across America Day with "The Cat In The Hat" themed activities for the day. We are also planning a field trip to Jordan Lanes for our annual Bowl-A-Thon.
