REVIEW**

April has been fun! we have been learning about insects and other pollinators. We have been observing our very own 'pet' caterpillars, patiently waiting for the little friends to transform.

We will continue our exploration of bees, butterflies, and lady bugs throughout the last few weeks of school.

We will have a special

**EAT A RAINBOW**

snack on May 13th

**IF YOU WOULD LIKE TO SIGN UP TO BRING A DRINK OR
