WINTER READINESS

Last year we had a snow day already in November. Please re-read your parent handbook for inclement weather procedures and listing sites. In case of a closure or a delay, I will also send out a Remind text and post on our Facebook page. If your child wears boots to school, please remember to send in shoes to change into for safety reasons.

CEMETERY CRAWL FOLLOW-UP

Thank you to all of our families and friends who came out for the Cemetery Crawl 5K. The weather was blustery, but we had a good time. Due to the generosity of everyone who participated or donated, we raised \$1271.50 for the LeVan Scholarship Fund. I will be sending out that check next week, if you would still like to donate please let me know.

PAINTSOME POTTERY

Paintsome Pottery (located in the Tilghman Square shopping center) will be at our school this month offering personalized holiday pottery gifts. These are offered at a discount from their in-store pricing, and are **optional**. Students who have an order will be pulled out separately for the few minutes it takes to complete the process. Students not participating will simply stay in class and will not be missing out on anything. If you have younger siblings you would like have participate, you may do so on your assigned day. If you have older siblings that you would like to participate, you may bring them to PaintSome Pottery directly and they will honor the discounted price with an official order form from the preschool. If you would like an additional order form for a sibling, please see the Director.

THANKSGIVING

Please note we are closed all day the Wednesday before Thanksgiving.
