Week 4:

Letters: Bb, Ee
Numbers: Review
Shape: Solid Figures
Color: Orange

We hope your children enjoyed their first few weeks of school! The class has been busy learning about our communities, new friends and our new Zoom classroom. Our students have been doing a wonderful job becoming comfortable with sharing their drawings, pictures and stories with each other and the teachers. The children began recognizing both their own and their classmates names during attendance and also the month of the year and season. Our class started practicing the "Pre-K Head, Shoulders, Knees and Toes" song and "Shaking our Sillies Out" for music and movement. We are proud of our students and families for trying and adjusting to our new way of learning this year.

During October we will blast off into Space and reach for the stars! The students will continue practicing their numbers and letters and work on recognition of each. We will create two-dimensional shapes and have fun with Fall (or Autumn as we have learned) and we will end our month with our Halloween Parade!
