

MARCH 2022

Dear Families,

February 2022 was certainly be remembered for the rollercoaster of weather we experienced. Fortunately our students did very well adapting to learning indoors and outside as permitted by this weather. The Pre-K class was very busy learning about and experimenting with our "Five Senses". The class read about sight and the parts of our eyes. We learned about increasing our powers of observation through celery experiments as well as outdoor walks and play. The children experimented with smell outdoors and as well as touch. Pre-K had fun learning about hearing when creating and playing individual Clarinets and Drums made with recycled materials. The students also enjoyed finding their matching partner in the "I Hear" game. Our class experimented with taste when the children were asked to challenge their taste buds when sampling olives, pickles, lemons, pretzels and fruit. Pre-K is looking forward to a fun filled March as we take our "Road Trip Across America"! **March reminder: Each child will need a shoebox or small box by March 7th for our "Road Trip Across America".** Thank You!!

Theme:
Road Trip Across America

Week 1:
Letters: Formations
Number: 17
Shape: Review

Week 2:
Letters: -ad family
Number: 18
Shape: Rectangular
Prism

Week 3:
Letters: -an family
Number: 19
Shape: Review

Week 4:
Letters: -am family
-ap family
Number: 20
Shape: 3-D Review
