

April 2023

Dear Families,

March found the Pre-K class traveling across the USA to learn about our National Landmarks. The students were asked to create original vehicles or structures with recycled items. We began our travels in New York City at the Statue of Liberty, learned about the Empire State Building and Grand Central Park. Next stop was at the Liberty Bell in Philadelphia. We discussed that New York City and Philadelphia served as the Capitol of the United States before the next stop, Washington D.C.! The class rode the tram inside the Gateway Arch in St. Louis, Missouri and then traveled to Mt. Rushmore so see the Presidents. We took a trip through part of the Grand Canyon and visited the Sequoia trees in Muir Woods on the way to the Golden Gate Bridge in San Francisco, California. Our travels will continue in April as we learn ways to "Reduce, Reuse, Recycle" and also learn how to preserve the landmarks we visited and discussed in March.

Theme:
Reduce, Reuse, Recycle

Week 1:

Letters: "an" family
Number: Skip count "10"s
Shape: Review

Week 2:

Letters: "am" family
"at" family
Number: Review
Shape: Rectangular
Pyramid

Week 3:

Letters: "in" family
"it" family
Number: Skip count "2"s
Shape: Review

Week 4:

Letters: "id" family
"og" family
Number: Review
Shape: 3-D Review

Important Dates:

04/05: Easter Parade and
Egg Hunt

04/06-04/10: School closed
Spring Break

04/25: Field Trip to Lehigh
Gap Nature Preserve
