

In March the Pre K class Has been on an adventure across the United States of America. The class read books about different states, various presidents, and symbols of our country. We 'traveled' through books and videos to several states within the US as well.

We are looking forward to a fun filled April! The class will be learning about ways to help keep our Earth clean. We will also explore various energy sources and earth elements. We will be having an Earth Day Event in The Grove on April 20th at 1 pm. We look forward to seeing you there!

**If you have any questions or concerns, we are available through the messaging system in Brightwheel during normal school hours. We are also available by email at [Millroy.neffspreschool@gmail.com](mailto:Millroy.neffspreschool@gmail.com)**
