

January has been filled with many ocean adventures. The students learned about the five oceans of the world. They explored the animals and plant life in the ocean. We created many creative ocean themed pieces of art and played with ocean animals during fine motor time. The class enjoyed a pajama party complete with a 'movie' and special snack.

Discovery, exploration, and experimentation with our Five Senses will be the focus in February. At the end of the month we will have a five senses show and tell. We will also celebrate Dr. Seuss' birthday with a crazy clothes day.

If you have any questions or concerns, we are available through the messaging system in Brightwheel during normal school hours. We are also available by email at Millroy.neffspreschool@gmail.com
