

SEPTEMBER

Dear Families,

Hi! We are Ms. H and Mrs. Lynch and we are so excited to get our new school year started! The 3's year is extra special because it is most students first school experience. We know this year will look a little different but we hope to figure this all out together and still give your student the best first year ever! The most important goal for our year is exposing the students to social(ly distanced) interactions and helping them to gain independence. We will also work on our letters, shapes, numbers, as well as developmental milestones to give them a solid foundation to build the rest of their education on. September is our "Back to School" month where we will focus on getting to know each other and getting to know the "classroom". Please feel free to reach out via email if you have any questions! We can't wait to get to know everyone and appreciate your patience and flexibility as we begin this nontraditional school year!

Best,
Ms. H and Mrs. Lynch
