

4 year old class

Mrs. Millroy
Miss H

Hello Parents!

What a terrific month we have ahead of us! In our time together over the next month we will get to know each other better through twice weekly zoom calls. Our main curriculum theme for September will be centered around **Community Helpers**. We will be discussing **safety**; at home, in school, and in the community. We will also talk about **emergency situations** and how we can react to stay safe. We will talk about the many **occupations** that people within our community have as well as what they might do and how they help. We will cover the letters A, M, and T, the numbers 1 and 2, circles, and the color red.

We look forward to working with each of you to foster a fun and engaging learning experience for your child, even virtually!
