**Weekly Emails including Zoom Links and Work Instructions will be sent no later than Sunday afternoons for the upcoming week.**

Hello Families,

Welcome to Pre-K at Neffs Preschool! We look forward to meeting and greeting all of our new Pre-K students on our Zoom Call on Monday, September 14<sup>th</sup>!! During the month of September we hope to get to know a little about each other, our new virtual classroom and the fun that lies ahead for each of us this year in Pre-K! Our class will spend September getting to know each other in our class, learning about school routines, reviewing our letters, numbers, shapes, colors and understanding how we are all a part of our Neffs school community. If time permits, we will explore how our school community can be included in larger groups such as local or state communities.

Please feel free to email me at the above address with any questions or concerns as we go forward in our adventures. We are excited to have you join us in this new chapter of experience and learning for our Pre-K students.
