The screenshot shows the homepage of the Pennsylvania Access To Criminal History website. At the top, there is a navigation bar with 'Home', 'Record Check', and 'Help' links. Below the navigation bar, a welcome message is displayed, followed by a notice about response times for 'UNDER REVIEW' requests. A 'PATCH Helpdesk' contact number is provided. A prominent notice states that all requests for notarized copies must be submitted by mail. A yellow box highlights the 'New Record Check (Volunteers only)' link, with an orange arrow pointing to the 'Submit a New Record Check (requires a credit card)' link. Below this, there is a 'Registered Users' section with fields for 'Username' and 'Password', each with a checkmark icon, and a 'Login' button. At the bottom, there is a section titled 'Why does PATCH exist?' with a small image of handcuffs and a folder.

Click on [New Record Check \(Volunteers only\)](#). A new screen will display stating the terms and conditions as seen on the next page of the instructions.

The following criminal history information will be released by the Pennsylvania State Police Central Repository upon proper request:

1. All convictions.
2. All charges that are less than three years from the date of arrest and the Central Repository has not received a disposition.

It is the responsibility of both registered and non registered users to obtain the assigned control number at the time requests are submitted. Immediately after submission of the requests one of the following status will be assigned to the request:

1. **No Record:** If this status is assigned to the request it is the user's responsibility to double click on the control number. This will take the user to the details screen where the user will double click on the blue hyper link, "Certification Form", near the center of the page. By clicking on "Certification Form", a certified no record form will be displayed in PDF format.
2. **Request Under Review:** If this status is assigned to the request, the user must periodically check the PATCH web site to determine the final status of the request. A status of "Request Under Review", will result in one of the following final status:
 - o **No Record: Follow the instructions above for a no record response.**

Create Keystone ID: General Information

1 General Information 2 Profile Information

Welcome!

The Commonwealth of Pennsylvania is improving how it provides online services to citizens! Several state agencies are working together to allow you to establish a Keystone ID which creates a single way to access several different state programs. Currently, the Keystone ID that you create and manage here can be used for:

- Child Welfare Portal
Users of the Child Welfare Portal can apply for a Pennsylvania child abuse history clearance or submit child abuse referrals.
- SERS' Online Member Services
Members of the State Employees' Retirement System can get statements, run estimates, and more.

If you already have signed into any of these programs, you do not need to create another one now. Simply use the user name and password you've already established to access all of these services. Keep in mind that if you change your password or any other profile information in any one of these programs, the changes you make will apply to all programs that use the Keystone ID. Keep an eye out for the Keystone ID sign-in on more state websites in the future. It's just another way the Commonwealth of Pennsylvania is working to serve you better.

To create a new Keystone ID, please provide the following information:

- Keystone ID

(must be 6 to 10 characters)
- First Name
- Last Name
- Date Of Birth

(MM/DD/YYYY)
- E-mail
- Confirm E-mail

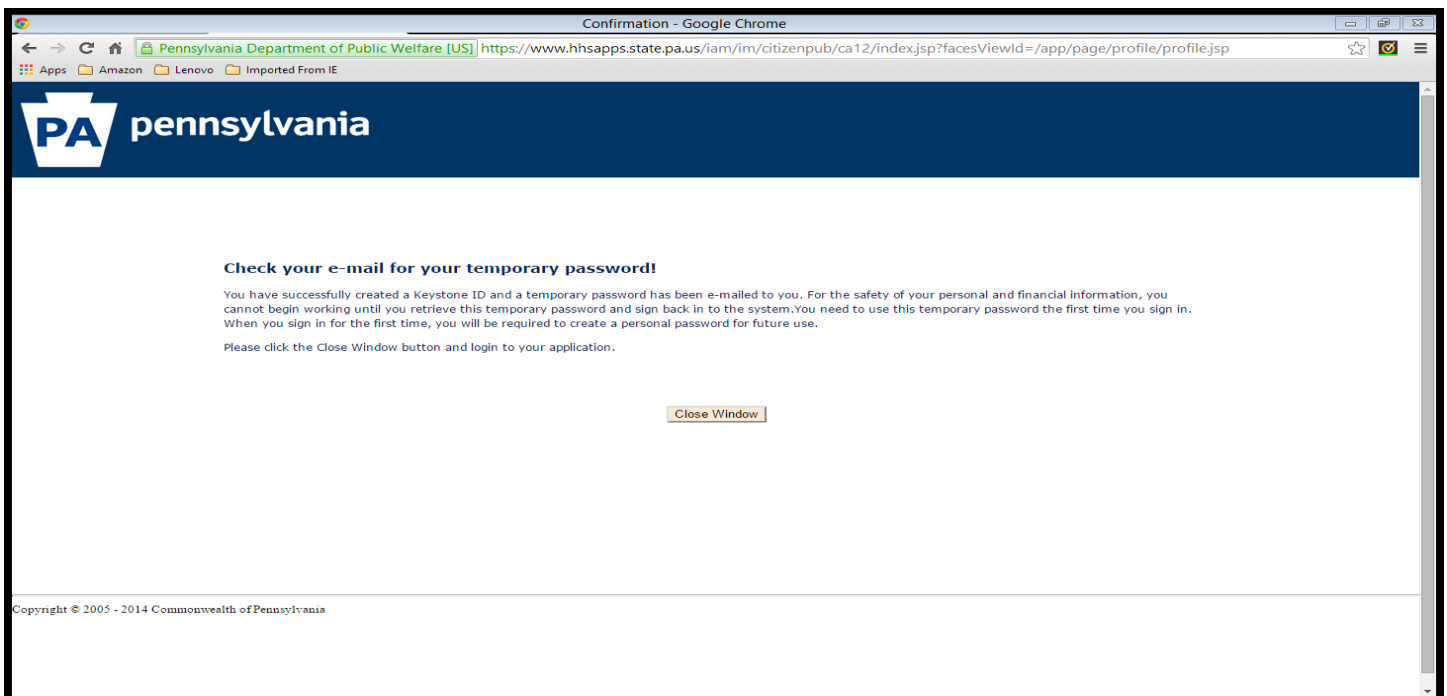

To ensure online security, please select and provide answers for security questions. These questions will be used if you forget your password.

Security Question Tips
Choose questions for which you will easily recall the answers; do not write down the questions and answers, as this undermines their usefulness as a security tool. Answers must be typed exactly the same way, every time. So, if you capitalize "Philadelphia" or if you write "Philadelphia PA" here, you must do so every time you use the question. Avoid using special characters (#&@) and punctuation (", -) in your answers. You cannot use the same question more than once. Answer cannot be any phrase directly from the question.

You are consenting to a verification of your Social Security number through the Social Security Administration.
